

Guide

- 1 • Print the template supplied on coloured card, cut out and hang on door handle.
- 2 • The hanger is sizeable. Print on A4, A3 or create an oversized hanger on cardboard for bigger impact.
- 3 • If it isn't possible to hang, stick to the door with sticky pad or similar.

Note: to ensure good legibility of the red cross on 'NOT' do not print on pink or red background.
