

INSTRUCTIONS FOR USE

People vote by putting stickers on the paper stuck on the board

It is a great conversation starter and hopefully people will ask you more about the climate crisis, what XR is doing and talking about 21st April 2023.

After chatting for a bit, invite them to join us!

Keep your board clear and simple.

It's a great thing to photograph or film people interacting with (get their permission) for you to use on social media during and after your outreach event. We hope you have a lot of fun with it!

To use/reuse your boards you will need.

- Stickers
- Role of flipchart/lining paper to be cut to size and blu-tacked to the board
