Remember to REFRESH

When you view reports you always need to 'refresh' to get the latest data. This is very important for a report like 'last 7 days'

The screenshot shows a report management interface. At the top, it says 'CURRENTLY MANAGING REPORT:' followed by 'Last 7 days'. Below this are three buttons: 'Edit This Report', 'Duplicate This Report', and 'Refresh Targeting'. The 'Refresh Targeting' button is circled in red. Below the buttons, it says 'TOTAL TARGETED: 0'. At the bottom, there is a navigation bar with the following links: 'View Results', 'Targets', 'Mass Operations', 'Recurring Reports', and 'Report Access'. The 'View Results' link is highlighted. Below the navigation bar, there is a section titled 'View Results'.

The 'Form Answers' link is circled in red. Below the header, there is a section titled 'Latest 100 Activists' with a help icon. Underneath this is a table with columns: All, First name, Last name, Email, and Address. The 'All' column has a checkbox.

View Activist Tags

View which tags have been added to a email list subscriber

1. On the top menu - click **People** and from the drop-down menu and click on the work **Activists**.
2. Type in the name or email address of the person who you are enquiring about and click **SEARCH**.
3. If this person is on your email list they should now be listed below the search box and you can now click **VIEW RECORD**.
4. Then click on **Tags**.

Only 10 tags are shown at one time, so if the person has more than 10 tags, you need to click on the number 2 (or 3!) to see more of their tags.

Example : Has someone signed the volunteer agreement?

The tag you are looking for is:

XR_May2021_Volunteer_Agreement

If they don't have this tag, you should ask them to [sign the Volunteer Agreement here](#).
