# Sound & Power

## What is it?

Providing mobile PAs, sound systems, pop-up stages and solar-power set-ups; essentially bringing the vibes to any action! The Sound and Power team have kit stored in the central warehouse to provide amplification of any sort to your action.

## What skills or training do I need?

You don’t need any specific skills or knowledge to join the team as all training can be given. Sound and Power run training courses to equip people with the knowledge and skills needed. In particular training can be given for people interested in running the cycle rickshaws which amplify sound at many London marches.

## Help and Support for Sound and Power
