Stewarding Training

We have a number of Zoom sessions where we will go through various aspects of Stewarding and give you a chance to ask questions. We recommend attending **Stewards General Training** and we aim to run online training monthly and more frequently in the run up to big events. Sign up to be a Steward on XR Action Network to hear about these sessions or keep an eye on the Movement Broadcast on Telegram.

General Steward training - online

General Stewards Training Video General Stewarding Training - 30min

Stewarding a Small Action Training Video General Stewarding Training, especially for smaller actions - 20min

March Against the Machines Steward training - online

Briefing and Stewards/Roadtaking Training Video General Stewarding Training - 30min

Other related training

We have also run the sessions listed below previously, and can organise again if they are needed:

- Accessibility & Inclusion for Stewards
- Protest Liasion for Stewards
- Outreach for Stewards
- De-escalation for Stewards
- Roadtaking
- Planning and executing a march

Email us on stewarding@extinctionrebellion.uk for details of the above. Training materials, Powerpoint slide decs etc. are available if you want to run your own training sesions.

Training: Face to Face

We usually run face to face training sessions during large events, typically 1 hour before shifts start.

Top Tips Sheet

Helpful sheet if you just want to print one page, export this one as a PDF.

Lead Steward Training

Lead Stewards are welcome to join any of the training sessions above and we can always add on a section at the end to cover Lead topics (it's a few extra slides).

Further Training

These optional additional training modules will enhance your skills and confidence when Stewarding:

- Notes on talking to the police
- De-escalation Training (log in required)
- CPR Training □□
- Street Speakers- short talks you might be interested in delivering to parts of the crowd
- Witnessing an arrest
- Witnessing a stop and search
- Street Outreach Skills Training
- Crowd Safety and Crowd Risk Analysis
