

Potential Targets & Action Ideas

Conflict & the Arms Trade

There are many conflicts happening across the globe as we speak. Peace is beneficial to all including the earth. It is estimated 5.5% of global emissions come from militarism, which is equivalent to 2.2 billion tons of CO₂.

Fundraising for Global South Activists

Activists in the global south have been protecting the earth for generations. They do not have the same access to resources as we do, let's help them out.

[Fundraising Methods](#)

To find out where to send the money contact The XRUK Rebel Hive at:
hive@extinctionrebellion.uk

Collaborating with Other Countries

Collaborating with other countries to do actions that have a global impact is a great way to practise active solidarity.

To find out how to connect with other countries, contact the XRUK Rebel Hive at **hive@extinctionrebellion.uk**

Education

Outreach & Education is another great way to raise the alarm about the global effects of the climate & ecological emergency.
