

5. Security and Data Protection

Volunteers are handling sensitive personal information and are required to confirm that they understand their responsibilities under the General Data Protection Regulation (GDPR). This is done by reading and signing XR's online [Volunteer Agreement](#).

Please sign with the e-mail address you provide to Back Office, to facilitate checks.

Remember that you've agreed to protect the privacy of arrestees, and don't share any of the information you receive with anyone outside Back Office.
