Stencil designs

Making your own stencils

We advise using old wallpaper for stencils. Just lay the printed sheets, in order where appropriate, over the wallpaper and cut through.

Rebel Stencil

Extinction Symbol

A collection of stencil files adapted from the XR Artblockers woodblocks, Paris68 Redux and other rebel artists. Perfect for printing on t-shirts, banners or posters using a roller and acrylic paint - instructions on how to make them are included within. Visit this telegram channel to see the stencils in action: https://t.me/+dYpnbo7-ruwwODgy
