

About the Citizens' Assembly Demand

Extinction Rebellion's central demand:

Decide Together : We need change that is decided fairly and transparently.
We need a Citizens' Assembly on Climate and Ecological Justice.

Why Have a Citizens' Assembly?*

Learn More

A detailed explanation of XR's [Citizens' Assemblies](#) can be found on the XRUK website. It:

- Explains why our outdated system of electoral politics can't make the changes we need.
- Describes the key "four pillars" of collaboration, independence, long-term thinking, and representation.
- Introduces the concept of citizens' assemblies.
- Gives some examples of citizens' assemblies around the world and what went well.

Increase your knowledge further
