# Rebel for Truth - Sep 2023

## REBEL FOR TRUTH

Since XR first burst onto the streets we have said "Tell the truth and act as if the truth is real".  
**Truth is the antidote to the climate lies** and the climate liars.

When you can't trust those in power, the people are the answer. We are trapped in a system that is outdated and out of touch. Citizens' Assemblies are the alternative. In a time of corruption and greed, 'reasonable' starts to look revolutionary.
