What is Rebellion Academy?

It is a learning environment of trainings that you can work through, in your own time, including audio versions you can listen to, for example while out walking. New trainings are constantly being created, and if there is anything you feel is missing please [contact us](#).

If is **not** a calendar of trainings, or a place for networking. There are live trainings available in XR, but the Academy is for you to learn in your own time and at your own pace, and where Rebels can catch up on bits of training they have missed.

What's the difference between Rebellion Academy and the Toolkit?

Academy: a learning environment, with videos and **interactive trainings**,

Toolkit: a collection of web pages, like a Wiki, with links to resources.

Some information may be shared in both, but if you want to ensure you have completed a training (e.g. NVDA), then the Academy is the place to go. If you are looking for information or links, start with the Toolkit.

First time using Rebellion Academy?

If it's your first time on the Academy, you can either search directly for a training you're looking for, or you can try our quiz to find out which trainings might be most relevant to you.

They are all linked in our Dashboard.

Dashboard

The main page is the 'Dashboard' where you can access trainings, search for information, see what courses you have completed, get help etc.

This section lets you filter trainings by type, e.g. 'LOCAL GROUPS' will show you all trainings suitable for Local Group members.

You can also see a full list of trainings, or search for a particular one.

Do I need to sign up?

Some courses are available to anyone without sign up, but most are for Rebels so you will need to Sign Up or Login.

If you're already using the Hub, the easiest way to log in is directly through The Hub, via the button below with the red arrow:

The image is a screenshot of a web browser displaying the Rebellion Academy UK website. The browser's address bar shows the URL 'uk.rebellion.academy'. The website's header is yellow and contains navigation links: 'CONTACT US', 'ABOUT US', and 'JOIN'. There are also social media icons for Facebook, Twitter, YouTube, Instagram, and LinkedIn, along with the text 'YOU ARE NOT LOGGED IN. (LOG IN)'. The main content area features a large banner with the text 'WELCOME TO' at the top, followed by the Rebellion Academy logo (a stylized 'X' inside a circle with headphones) and the text 'rebellion academy'. Below the logo are three buttons: 'LOGIN', 'SIGN UP', and 'XR HUB LOGIN'. The 'XR HUB LOGIN' button is circled in red, and a red arrow points to it from the right.
