

Road Taking Training

What is this training about?

Learn how to close roads safely, so that marches and protests can take place!

□□ The session will focus on what to do on the day, and will touch on road taking from the point of view of an action planner.

Format

Sessions are held over zoom and last 1 hours.

This training may also be run in-person in the run up to large events and actions.

When?

Road Taking Training is usually held in the run-up to large events where Road Taking will be needed.
