

Street Speaker Trainings

What is this training about?

Street talks are a fantastic way to quickly engage, inform and empower new joiners and existing rebels.

We have a [range of Street Speaker Scripts](#) that can be used at Actions.

The scripts are designed to be delivered by anyone without the need for training however, we're here to support you!

The support workshops will provide a space to:

1. Ask questions
2. Learn how to use the scripts and resources on the Rebel Toolkit
3. Find a support buddy for delivering the talks in person/on the street
4. Practise the street talks in breakout rooms

Format

Sessions are held over Zoom and last 2 hours.

When?

Street Speaker Support workshops are publicised on Mattermost, [Movement Broadcast](#) on Telegram and the [XRUK Talks and Trainings Facebook Events Page](#) in the run-up to large events where Street Speakers are needed.

Dates will be added to the [registration page](#) before those large events. If there aren't any events showing, please keep an eye out for them being publicised and you'll find they've been added to the [registration page](#).
