

The World We Want

SPREAD THE HOPE!

Feel paralysed by the doom and gloom? We have the antidote! An uplifting talk that shows a better world is possible and how we can help build it together.

No activism experience needed Practical steps you can start today Hopeful, not heavy

The talk takes approx. 1hr with an additional 15 mins for discussion and questions.

To join The World We Want online talk or if you were inspired by the talk and would like to become a speaker, you can register for either.
