

Don't Pay for Dirty Water Campaign

Extinction Rebellion UK, BoycottWaterBills.com and the Dirty Water campaign have teamed up to support the UK-wide wastewater bill boycott.

Find out below how to do this quickly and with as little risk as possible – they can never cut off your water supply. You are not alone – we are stronger together. Hundreds are already boycotting – let's get to 10,000!

All the information you need is in the [Don't Pay for Dirty Water book](#) on the Rebel Toolkit and on the [on the XRUK website](#).

Promote the campaign by downloading and printing [Don't Pay for Dirty Water stickers](#).

Here's a [slide deck created by a boycotter](#). You might find it useful for information about how to boycott, share the deck with others, or present a talk.
