

Fundraising

Money's Too Tight **Not** to Mention!

Asking for donations can be tricky. However, it is a way to take action and we need regular donors for Extinction Rebellion UK to keep producing actions and resources, and donors need easy ways to donate.

Find more info, training and contact info for the Fundraising team [HERE](#) and fundraising methods [HERE](#).

Where possible, include the donate ask on posters, leaflets, flyers, social media posts, in the descriptions under YouTube videos - anywhere possible.

Use the QR code and a link and, most importantly, sign-post people to them.

- **Direct link to donate**
