- [The National Archives](#) Official historic records not subject to secrecy 'D' Notices
- [House of Lords Library. Sewage Pollution in England's Waters](#)

Organisations and Allies

We will be making a spreadsheet of possible contacts available to view, make a copy of and add your local contacts to, so they can be shared with rebels coming on board and stepping into Dirty Water actions, outreach and assembly organisation. More about this in time for the Restore Nature

Now national event 22nd June. Meantime, here's the current state of play with our [Restore Nature](#)

[Now supporters](#)

Celebrity Connections. Who Are You Following and Engaging With?

- [Feargal Sharkey on Twitter](#): For all the latest information about what the water companies and the UK government are doing about our waterways and seas.
- [Iolo Williams on Twitter](#) For news and useful information around Cymru Wales from the nation's wildlife and conservation hero
- [Chris Packham on Twitter](#)
- [Michael Sheen on Twitter](#)
