

Songsheet

PDF version for downloading and printing [here](#).

With thanks to Suffolk, whose MP is Therese Coffey, but you can insert your own/relevant MP surname/water authority/organisation...

To the tune of ‘My Bonnie Lies Over the Ocean’

(soundcloud link [here](#))

The sewage flows into the river,
The sewage flows into the sea
The sewage flows into the [Deben] [insert own river name here, or just use word 'ocean']
And the blame lies with Therese Covey

Bring back, bring back, oh bring back clean rivers and seas and seas,
Bring back, bring back, oh bring back clean rivers and seas.

The runoffs as bad as the sewage,
With pesticides killing off bees.
They kill off aquatic invertebrates,
And the blame lies with Therese Coffey.

Bring back, bring back, oh bring back clean rivers and seas and seas,
Bring back, bring back, oh bring back clean rivers and seas.

To the tune of ‘Hi Ho Silver Lining’

(soundcloud link [here](#))

By the rivers all around the country
You should hold your breath
If you ever dare try to swim there
You are risking death
In the streams that feed the rivers
You can count the turds
As our sewage is no longer filtered
While MPs ignore our words

Chorus:

And at high tide I feel like crying
As all around our coast
We see aquatic life is dead & dying
And so we make this fuss
Because it's obvious

The Tories voted for pollution
In a solid block
But come the next election
They could get a shock
Coffey, Hunt & Poulter,
Churchill, Aldous too (Insert own MPs here)
Suffolks Conservative MPs,
All voted for more poo!

Chorus:

And at high tide I feel like crying
As all around our coast
We see the scummy crud & crap a-rising
And so we make this fuss
Because it's obvious

Repeat 1st Chorus

Chords for guitars/ukes:

Intro: G G

Verses: G G C C F C G D x 2

Chorus: G G7 C D G G7 C DC G G
