

# What Next? Your Place in XR

We hope exploring XR has inspired you to volunteer for a role in a regional, national or UK-wide team (as advertised on the [Volunteer website](#)), join [an action](#) and get involved in [your Local Group](#).

Roles listed on the Volunteer Website can be filtered by:

- Role Type (from home or in-person)
- Types of Work
- Region/Nation
- Hours per week

It's fine to try out more than one role to experience different aspects of XR. It's also OK to leave a role if you find you no longer have capacity, or you would prefer to move to a different role, but please give your team a little notice.

As an Explorer, you will have learnt about [Our Structure](#) and how you can explore this using the [Organism](#), where you can read the mandates for all the groups and teams.

If you would like advice on which role to apply for, please email us at

[volunteer@extinctionrebellion.uk](mailto:volunteer@extinctionrebellion.uk). And if you've applied for a role but have not heard back from the team after a week, please let us know and we will chase them up for you - their integrator may have been on holiday. We would really welcome feedback on your experience as a volunteer.

## Group roles

From the Rebellion Academy module [Working Group roles](#), you will have read that teams have the following [Core roles in accordance with our Self-Organising System](#):

- **External Coordinator**
- **Internal Coordinator**
- **Group admin**

These and other XRUK's roles can be found [here](#) - click on the + sign to read the role mandate.

The other team roles include:

**Secretary / Minute-taker** : this role requires reasonable keyboard skills and very good listening skills. The secretary:

- arranges meetings and take minutes
- deals with day to day running of the team
- ensures that Action Points are clearly communicated to the team
- might act as facilitator if no-one has filled that role (but it is not expected)

**Facilitator** : this role requires training since XR meetings run in a specific way. The facilitator ensures that:

- meetings run smoothly according to the group agreement
- every voice is heard
- the agenda is covered as well as possible
- the meeting does not run over time

**Integrator** : the person in this role makes sure that the team / Local Group has members to fill its roles by recruiting and onboarding new members. Find more about this role in the [Recruitment & Onboarding Handbook](#).

**Budget Holder** : a good understanding of figures and banking is required, or a willingness to train. The budget holder:

- understands what budget is available to a team and what it must be spent on
  - approves expense claims from receipts for goods and services
  - approves VLE (Volunteer Living Expenses)
-
