Zoom and Data Protection Information

Zoom Technical and Practical FAQs

We recognise that studying online is very different from hard copy reading materials and face-to-face learning. Using your Course Schedule form and attending Zoom sessions, as well as registering for them and keeping track of registration emails, can be a challenge, especially if you are not familiar with technology.

For these reasons, do please study our FAQ sheet FIRST as it has answers to many of the most frequent Zoom technical and practical issues you may encounter on the Course.
