Assemblies Team & Training

The XRUK Assemblies team are here to support the movement by ensuring:

- XRUK has the knowledge and support it requires to promote the Third Demand.
- XRUK, Local Groups, Regions and Nations have a broad understanding of the power of deliberative democracy, and have the support they need to run community assemblies as required.
- Rebels can learn the power of Polis, an interactive polling tool, for upgrading assemblies.

Facilitation Training

If you're interested in facilitating an assembly, watch Community Assemblies Facilitation Training.

Polis Moderation Training

Want to learn a great new skill to support organisers of interactive polls? Please get in touch with the XRUK Assemblies team on your preferred channel to learn about Polis Moderators - see 'Contact Us' below
