

Creating your event: Main Details Page

Once you have followed the instructions on the previous page, you will be taken to this page, where you will be asked to go into more detail. This information will make up the main page people see when they click on the link to your event.

The screenshot shows the 'Main Event Image' and 'Summary' sections of an event creation interface. On the left is a sidebar with a navigation menu. The main content area has a header for 'Main Event Image' with a subtext 'This is the first image attendees will see at the top of your listing.' Below this is a large box with a placeholder image icon and the text 'Drag and drop an image or'. There are two buttons: 'Upload image' and 'Design with Canva'. Below the buttons, there are specifications: 'Recommended image size: 2160 x 1080px', 'Maximum file size: 10MB', and 'Supported image files: JPEG or PNG'. A tip box states '82% of attendees prefer main event images that show an event's vibe and atmosphere.' with a 'See examples' link. The 'Summary' section has a title 'Summary' and a subtext 'Grab people's attention with a short description about your event. Attendees will see this at the top of your event page. (140 characters max). See examples'. Below this is a text input field with a placeholder 'Write a short event summary to get attendees excited.' and a character count '0/140'.
