

Local Group Map

Designed to help locate and contact any local XR group in the UK

The Local Group Map can be **viewed directly** or via the **XRUK website**

The use the map:

- The key on the right allows you to select a nation or region.
- and/or use the +/- buttons on the top left to zoom in

If you want to add or update your Local Group's information (contact email or social media links) please email map@extinctionrebellion.uk

The [map on the XR Global website](#) takes information from our map (updated approximately monthly) - you don't have to request updates independantly to the global team as we are providing info to them to keep their map aligned with ours.
