YOU HAVE AN APPLICANT! WHAT NEXT?

Acknowledge

Send a message ASAP - preferably within 24hrs
Tell the applicant when and how you will be in touch

Security check (sensitive roles)

Are they vouched for by someone known?

Call

A friendly phone call is best - you get a better idea of the person

Ask them about themselves - start to build trust

Explain the role

Can they make your meetings?

What are their skills?

Do they have access needs?

For sensitive roles, request social media names for background checks
