

# Start Here

This is a 'Recruitment and Welcome/Onboarding' Tool for Integrators or Internal Coordinators. In this handbook, you will find the resources you need to welcome new and existing Rebels/Volunteers.

If you and your team would like a tailor-made workshop on Recruitment and Onboarding, please contact us on Mattermost via [Recruitment & Onboarding \(Integrator\) Support reception channel](#) or email us at [volunteer@extinctionrebellion.uk](mailto:volunteer@extinctionrebellion.uk) with the subject line reading: Request for Recruitment and Onboarding Workshop.

If the Rebel/Volunteer is brand new, be sure to direct them to the [Welcome to XR](#) shelf on the Rebel Toolkit. Even if they have some experience and knowledge, you can still signpost them to this introduction. The most important thing to remember is to be welcoming and patient.

This handbook has been put together by the XRUK Pathways and Recruitment Support teams.

If you have any questions or comments, please contact us on Mattermost via the [Recruitment & Onboarding \(Integrator\) Support reception channel](#).
