

# The Foundation Programme Team

## Who we are and how to contact us

Our team is made up of Jacqueline, Sheena, Ned, Michelle, Jenny and Gemma. Some of us are established rebels who set up the Foundation Programme; some of us joined after taking the course ourselves.

Jacqueline (pronounced Jacqueline), Michelle, Ned and Sheena offer 'Student Support' and, if you've been happy to give us your phone number, one of us will check in with you. Ned can be contacted for all things technical.

We look forward to meeting you at one of our Zoom FP Get-together Meetings.

If we can help in any way to support you through the Foundation Programme, please get in touch either by messaging on Mattermost or emailing us:
