

# Flooding

## Flooding Data

### Maps of flooding risk

Particularly helpful if you are trying to increase concern at a local level

- Risk of flooding from seas and rivers
- Flood zones explained
- Check flood risk from surface runoff, rivers, seas, reservoirs at specific location
- Explore towns flood risk - all maps including historical flood maps
- IET London seriously unprepared for climate hazards like flooding

## Flooding Actions

### The Department for Ignoring Climate Chaos

Find resources to recreate this simple but attention grabbing action by XR Malvern, including placards, desk signs, and press release.
